

2021 FORD

EXPEDITION[®]

BUILT FOR BIG ADVENTURES LIKE YOURS.

How big is big enough when it comes to maximizing your adventures? That's for you to decide – and the 2021 Ford Expedition® to provide.

Whether you choose Expedition or Expedition MAX – which is nearly a foot longer and can carry 16.9 more cu. ft. of gear¹ – these spacious vehicles are designed with you and your family in mind. From roomy interiors with seating for up to 8 in a range of durable fabrics and available leather trims, to innovative technologies and standard Ford Co-Pilot360™ that can help you navigate new roads,² in Expedition, every drive is big on comfort and convenience. And, with 2 EcoBoost® engines to choose from, no matter where you're headed, you'll have plenty of power to help get you there.

For years, we've put our hearts and souls into building a better big for your family and your adventures. The 2021 Ford Expedition is one of our best yet.

LIMITED MAX. Star White Metallic Tri-coat.³ Available Special Edition Package.

LITTLE THINGS MAKE A BIG DIFFERENCE.

Sometimes, it's the little things that make us feel the most empowered – like the ability to push, start and go. Thanks to the available Intelligent Access key fob, you can lock and unlock your doors simply by touching the door handle, while the push-button start gets you on your way without having to use a key. The 8" LCD touchscreen with swipe capability and standard voice-activated SYNC® 3¹ responds to your voice or touch prompts, and makes it easy to control available navigation with easy to view map details, play your music, or interact with your phone while keeping your eyes on the road and your hands on the wheel.

A quick turn of the rotary gear shift dial easily moves the 10-speed automatic transmission from Park to Reverse to Drive. And the available B&O™ Sound System with a 14-channel amplifier that pumps 1,100 watts of digitally processed sound through 12 high-performance speakers – including a subwoofer and 2 ultra-performance midrange speakers – elevates your listening enjoyment and makes every song sound like an in-person concert.

PLATINUM. Ebony leather-trimmed interior. Available equipment.

1. Don't drive distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

EXPAND YOUR COMFORT ZONE.

Take a seat in the available 10-way power driver's seat, settle into the available 2nd-row captain's chairs – available in either leather or ActiveX™ Seating Material – or relax in the available power-reclining PowerFold® 3rd-row seats with a 60/40 split, and you'll quickly see that Ford Expedition® is big on space and even bigger on comfort. With plenty of space for up to 8 passengers, everyone will appreciate the expansive room. And, with available 2nd-row power-folding tip-and-slide seats, you can keep a child seat secured in any section of the seat, while simply sliding it forward to allow passengers to get into the 3rd row. No matter where you find your place, in Expedition, you're sure to find your comfort zone.

CARGO SPACE TO THE MAX.

There's a lot that goes into your everyday, so you need a vehicle that can handle just about anything. Like the new 5-passenger Ford Expedition® STX. With STX, you'll always have available cargo room behind the 2nd row – without the need to fold down any seats. And, for even more space – nearly a foot more length with an additional 16.9 cu. ft.¹ to accommodate most anything you need to carry – the Expedition MAX gives you all the room you need, in all the right places. Larger rear door openings make for easier entry and exit. An available advanced cargo manager shelf helps keep things in order. And an available hands-free, foot-activated liftgate opens with a simple wave of your foot under the bumper – all while keeping your key fob in your pocket or purse. A liftgate glass that can be opened manually or with the liftgate itself makes accessing everything you're carrying easier, too.

PLATINUM MAX. Ebony leather-trimmed interior. Available equipment.

¹ Cargo and load capacity limited by weight and weight distribution.

STAY WELL-CONNECTED.

Helping you stay connected is just one of the many things the 2021 Ford Expedition® does well. Voice-activated SYNC® 3¹ puts just what you need on the tip of your tongue – or right at your fingertips – thanks to the 8" LCD touchscreen, while your smartphone lets you use Siri® or Google™ to stay connected while keeping your eyes on the road – and your hands on the wheel. Your passengers can stay connected – and entertained – thanks to FordPass™ Connect² with Wi-Fi hotspot capability³ that allows you to connect up to 10 devices at once – inside the vehicle and up to 50' away. An available Dual-Headrest Rear Seat Entertainment System lets you view content from your compatible Apple®⁴ or Android™⁴ devices on the screen mounted on the back of each front seat. And the 15 conveniently located beverage holders give everyone a place to keep their drinks close at hand. Connectivity and convenience all in one place – that's Expedition.

PLATINUM. Ebony leather-trimmed interior. Available equipment.

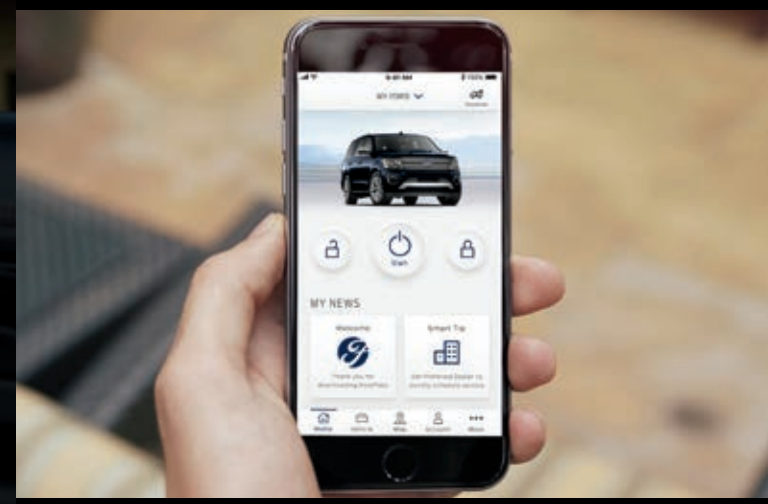

Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. **1.** Some features may be locked out while the vehicle is in gear. THE POWER TO MOVE YOU AND THEN SOME.

The 2021 Ford Expedition® doesn't just get you there, it gets you here, there and virtually everywhere you want to go thanks to the power of its EcoBoost® engine and up to 400 horsepower¹ and 480 lb.-ft. of torque.¹ A 10-speed automatic transmission with SelectShift® capability helps maximize power, while the available Terrain Management System™ allows you to choose from 7 preset drive modes – easily selected with a simple turn of a dial – to help optimize driving dynamics to the road conditions. Choose Expedition MAX with a 27.8-gallon fuel capacity, and you'll see how getting places in Expedition just got easier.

PLATINUM MAX. Star White Metallic Tri-coat.² Available equipment.

1. Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. 2. Additional charge.

3.5L ECOBOOST V6

With 375 max. horsepower¹ and 470 max. lb.-ft. of torque,¹ this twin-turbocharged, port- and direct-fuel-injected engine delivers big acceleration. The wide 7.4:1 gear ratio span of the 10-speed transmission helps smooth out gear shifts and delivers consistent engine power for a great drive every time.

3.5L ECOBOOST V6 PLATINUM SERIES

Fitting of the Platinum name, this enhanced version of the 3.5L EcoBoost boasts increased horsepower and torque – 400 max. horsepower¹ and 480 max. lb.-ft. of torque¹ for an exhilarating ride.

NORMAL

You'll probably spend the most time here. Ideal for everyday driving on wet or dry paved roads. A balance of excitement and convenience.

SPORT

Increases throttle response, provides quicker shifts for a more aggressive feel, and allows the transmission to hold shifts longer to help Expedition accelerate faster when shifting. For sportier on-road driving.

ECO

Exactly as it sounds. Eco helps maximize efficiency and helps to increase driving range.

GRASS/GRAVEL/SNOW (4WD) SNOW/WET (RWD)

For better traction on firm surfaces that are covered with loose or slippery material like packed snow, ice, water, grass or a thin layer of gravel.

TOW/HAUL

Moves upshifts to higher engine speeds to reduce the transmission shift frequency when towing. It also provides engine braking in all forward gears to slow the vehicle and assist in control when descending a grade.

SAND

For deep gravel or soft, dry sand, this mode helps you make it through easily. Available with 4WD.

MUD/RUT

For better handling on muddy, rutted, soft or uneven terrain. Available with 4WD.

BIG PULL FOR BIG ADVENTURES.

The 2021 Ford Expedition[®] was built for this. From a high-strength-steel frame and high-strength, aluminum-alloy body, to the best-in-class max. 9,300-lb.¹ towing capability, Expedition has plenty of pull for your big adventures. A 10-speed automatic transmission with SelectShift[®] capability allows you to manually upshift or downshift without using a clutch, and tow/haul mode with smart shift logic helps eliminate unwanted frequent gear shifting on steep uphill grades, while allowing engine braking to help maintain vehicle speed when going down a steep grade with a load in tow. An available integrated trailer brake controller senses how much force is being applied to the brake pedal in your vehicle and matches that to the trailer brakes to ensure for smooth slowing and stopping² – even when towing a heavy load.

And backing up your trailer? It's as easy as turning a knob thanks to available Ford Co-Pilot360[™] Technology³ that includes Pro Trailer Backup Assist[™] (PTBA). Once the system is programmed,⁴ simply rotate the PTBA knob right or left in the direction you want the trailer to go, and it automatically steers Expedition to turn the trailer the desired amount. When it comes to pulling its weight – and then some – Expedition delivers big.

PLATINUM. Antimatter[™] Blue Metallic. Available equipment.

1. Class is Extended Utilities. Max. towing of 9,300 lbs. on Expedition 4x2 with Heavy-Duty Trailer Tow Package (shown). Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. **2.** Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford Dealer for details. **3.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations. **4.** Please consult your owner's manual or Pro Trailer Backup Assist Measurement Card for information on setting up your trailer.

STX

OPEN SPACES

For those who want storage space without the need to fold seats down, the newly available Ford Expedition® STX delivers. With a 2nd-row, 3-passenger bench and room for up to 5, STX is both versatile and practical.

STX, Oxford White.

POWER TRIP

With a 375-horsepower¹ 3.5L EcoBoost® engine, STX makes it easy to get where you need to go – with what you need to take with you. Pair that with 18" Magnetic-painted cast-aluminum wheels, and you get rugged good looks and at-the-ready power in one powerful package.

¹ Horsepower ratings based on premium fuel per SAE J1349® standard. Your results may vary. ² Cargo and load capacity limited by weight and weight distribution. ³ Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ⁴ Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ⁵ Additional charge.

XLT

STRENGTH AND NUMBERS

With standard seating for 8, Ford Expedition® XLT has what it takes to take your whole crew just about anywhere. Available 2nd-row captain's chairs with durable ActiveX™ Seating Material offer a comfortable space for passengers, while a PowerFold® 3rd-row seat folds flat with the touch of a button making it easy to carry more cargo.² Loading cargo is easy too, thanks to the available power liftgate. And, SYNC® 3 voice-activated technology³ with Apple CarPlay® and Android Auto™ compatibility⁴ helps keep you conveniently connected virtually everywhere you go. In XLT, comfort, convenience and connectivity are a big deal.

XLT, Rapid Red Metallic Tinted Clearcoat.⁵ Available equipment.

BLACK ACCENT PACKAGE

Available on XLT

Available in sophisticated Agate Black Metallic, Ford Expedition® XLT with the Black Accent Package turns heads almost as well as it turns everyday trips into big adventures. Inside, Ebony seats in cloth or ActiveX™ Seating Material welcome passengers to the comfortable cabin, while 20" 6-spoke Gloss Black-painted aluminum wheels and Gloss Black-painted accents add style and flair to the exterior.

XLT. Agate Black Metallic. Black Accent Package. Available equipment.

LIMITED

LUXURY ON A GRAND SCALE

Everything about this vehicle was designed with you in mind. Inside, heated and ventilated leather-trimmed seats with a convenient driver's memory feature that recalls saved settings for you and another driver wrap you in comfort, while a power-tilt/-telescoping steering column and power-adjustable pedals let you fine-tune things just so. A B&O™ Sound System – acoustically tailored to Expedition – makes every note music to your ears. And bright exterior accents on the grille and power-deployable running boards that extend to help you enter and exit when the door is opened add that little something extra. In every way, Limited offers luxury on a grand scale.

New Vehicle Limited Warranty.

We want your Ford Expedition ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Ford Credit[®] Get the ride you want. Whether you plan to lease or buy, Ford Credit has the option that's right for you. Ask your Ford Dealer for details or visit us online at ford.com/finance.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need a winch back to a paved road, a battery jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Insure. Insurance that lets you earn discounts for safe driving, offering a maximum discount of 40% off your auto insurance. Ford Insure works with your 2021 Expedition to gauge driving habits and calculate a discount based on how you drive. Visit www.fordinsure.com to learn more.

1. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. **2.** Modem must be activated within 60 days of purchase through the FordPass App on a smartphone and remain active for at least 6 months after activation. Buyers of non-modem-equipped vehicles will also receive Points for complimentary maintenance after enrollment. Visit a participating dealer for details or go to FordPassRewards.com. **3.** Roadside assistance is included for certain owners and available to everyone for a per-service fee.
